Janet Davis is the primary operator of Hill House Farm & Nursery. She received her Bachelor's Degree in Horticulture from Virginia Tech. Janet has operated a landscape design-install-care business for the past 20 years, and focuses on incorporating native plants into garden settings and "managed" areas while employing sustainable garden techniques.

Hosted by The Farm at Cedar Mountain

Native Plants for sale by Hill House Nursery, Castleton, Virginia

The Farm at Cedar Mountain

A full service event venue located in Rapidan, Virginia.

The Farm provides a unique and special location for events as diverse as weddings, engagement parties, craft workshops, star gazing, glamping, corporate team building and children's birthday parties. Nestled at the foot of Cedar Mountain, The Farm has a long and storied past closely tied to the mountain whose name it bears. Its history dates back well before the Civil War.

The Farm at Cedar Mountain provides a refreshing opportunity to enjoy farm life with over 111 acres of rich farmland, quintessential dairy barns, a beautiful corn crib from a bygone era and the woods of Cedar Mountain.
